

GAS CHICKEN ROTISSERIES

MADE IN VENEZUELA

FRG2VE

FRG4VE

FRG6VE

- All Stainless-Steel construction
- Sliding tempered glass doors
- Stainless-Steel V skewers, no hook required
- 2 Stainless-Steel grease drawer collectors
- FRG4VE and FRG6VE 3" caster included
- FRG2VE and FRG8VE legs included
- Independent motor per spit
- Motor rotation 2 rpm
- Capacity 5 chickens or 40 lbs. per spit
- Cooking time 50 to 60 min (calculated with 4 lbs. birds)

Ovens equipped only with V spit skewers

Easy, clean, no tools required, secure, quick load and unload chickens

Installation Notes:

- At least a 5" clearance is needed on oven's rear, left and right side for proper performance.
- Ovens are top-vented, operated under a hood or direct exhaust (where permitted)
